

Places Around Me

Aim:

To develop a website to display details about the places around my house.

Design Steps:

Step 1:

Take screenshots of places around your house using Google Maps.

Step 2:

Identify a minimum of five different locations and mark them using image maps.

Step 3:

Develop a webpage(minimum of 50 words) for each location and link it to the image region.

step 4:

mention the co-ordinates and the link to be appeared when clicked.

Tambaram:

about Tambaram:

Tambaram is an ancient town referred to as Taamapuram in an inscription of the 13th century. There are many other places of historical interest more ancient than Old Tambaram within a radius of about 10 kms from it. Implements of Stone Age men have been found in this area and also large stone monuments of the Iron Age. The earliest Pallava stone inscription and a Pallava temple of the 7th century A.D. are found here. Sekkilar, the author of Periapuranam lived here and Sriperumbudoor the birth place of Ramanuja the Vaishnava saint is not very far from this area. One of the famous battles of Pallava history was fought in this region. The later Cholas, the Pandias and the Vijayanagar kings also ruled this region. Even the flowers in the jungle are connected with our history.
